

## FP660-11-SERIES BULL PULL

Product Code: FP660-11-SERIES

### DETAILS

Refined and masculine, the Bull Pull's aesthetic is inspired by the industrial-chic beauty of contemporary warehouse conversions. With geometry resembling that of structural beams, the Bull Pull functions as both a flush pull and edge pull for sliding (pocket) doors. The addition of a lip allows this product to also operate on pivot doors, providing a more consistent aesthetic within a project across various door types.

### Material:

Brass

### Finish:

Available in standard and special finishes.

### Fixing:

Glue-Fix
