# Outland Sliding Door Track

## Description

The Lockwood Outland Sliding Door Track Kit incorporates industrial design with the highest standards of quality. The Outland offers a classic barn door look with exposed steel straps that wrap beautifully around the nylon wheels; running smoothly along a flat bar track.

## Features

- Easy to install, perfect for DIY installations
- High quality powder coat finish provides excellent durability
- Quiet operation with nylon bearing wheels

## Product Details

|                        |                                                                                                                                                                                 |
