Forget troubles with
bubbles in the

BATHROOM

Closing the bathroom door means entering a bubble where the hustle and bustle of the world gets left behind. It's a sensual world where the textures and ergonomics of the knobs and handles contribute to your wellbeing.

Burbujas para olvidar preocupaciones en el baño

Cerrar la puerta del baño es entrar en una burbuja donde las prisas quedan atrás. Es un universo sensitivo en el que las texturas y ergonomía de los pomos y tiradores contribuyen al bienestar.

Bombolles per oblidar preocupacions al bany

Tancar la porta del bany és entrar en una bombolla on les presses queden enrere. És un univers sensitiu en el qual les textures i ergonomia dels poms i tiradors contribueixen al benestar.

The DINING ROOM

means shared moments

Some of the best moments in life are those shared around a table. Some of the most beautiful stories are created in the dining room, just like the handles that decorate the furniture.

Comedor significa momentos compartidos

Algunos de los mejores momentos de la vida son los compartidos alrededor de una mesa. En los comedores se crean historias tan bonitas como los tiradores que decoran sus muebles.

El menjador significa moments compartits

Alguns dels millors moments de la vida són els compartits al voltant d'una taula. Als menjadors es creen històries tan boniques com els tiradors que decoren els seus mobles.
