

### Top Pivot Kit

Model	57053
Maximum Door Weight	110KG
Finish	Satin Aluminium
Warranty	5 Years

### Bottom Pivot Kit

Model	30FLOOR
Maximum Door Weight	110KG
Finish	Satin Aluminium
Warranty	5 Years

The Ryobi Top and Bottom Pivot Kit can be combined to form a free swing timber or aluminium door in a domestic, industrial or commercial setting. Both top and bottom pivot kits are adjustable for ease of use and installation in different applications.

These two models are also replacement parts for the Ryobi 30 Series Transom Closer and 200 Series Floor Springs.
