

Open possibilities.

A photograph of a modern, bright interior hallway. The walls are white, and the ceiling is also white with recessed lighting. Large windows on the right side offer a view of a lake and greenery. The floor is dark wood. The overall atmosphere is clean, bright, and open.

Entrance **handles**

Marine grade **stainless steel**

Make a bold entrance with this range of **contemporary and beautifully finished entrance handles**, made from high grade stainless steel.

Corfu

Durability, style and ergonomics in a pull handle that makes a statement for any front door setting. The entire series is designed to complement other Schlage furniture to provide a total hardware solution, inside and out.

Open possibilities.

We believe that **style lives in the details**, because it's the details that bring everything together in a home.

Our door hardware, deadbolts and electronic locks provide **open possibilities** for homeowners to reflect their style.

Every day, Schlage creates solutions that bring our customer's visions to life. These solutions make homes and lives **smarter, safer and more beautiful.**

At the end of the day, **we're opening a lot more than just doors.**
