SCHLAGE ABODE
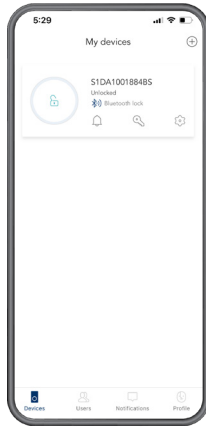

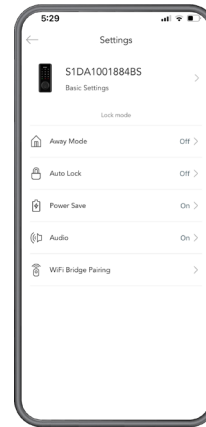

Updating your Schlage **Ease**™ Firmware

Step 1
Tap the Schlage Abode icon on your mobile device to open the app.

Step 2
Select the "Settings cog" next to the lock you wish to update.

Step 3
Select "Basic Settings".

Step 4
Select "Update Software" (an orange dot indicates a firmware update is available).

Step 5
Select "Upgrade".

Step 6
The app will download and apply the firmware update.
